## About Us

**Hotstar Insulation** was incorporated on 2012 with an objective of doing business in the field of Thermal and Acoustic Insulation across diverse domains. The company was promoted by Mr. Fahim, with a rich experience of more than 15 years in the field of Insulation, that excels in providing quality service in the Process and Infrastructure Industry. We are a professionally managed organisation with experienced support staff and skilled employees, who have in depth experience in the field of Insulation and vast knowledge of working in Process and Infrastructure Industries are helping our esteemed clients in “Energy Conservation”. The exposure of being associated with Multinational, Indian and Govt. Organisations with a team of skilled and experienced manpower backed by proper quality, management system has enabled our company to be the leader in our field. We are proud to say that all the Projects we have done over the years were a challenge for us and stand up to the total satisfaction of our clients, which speaks volume of our commitment in the field.
